Product family datasheet

LEDriving PX-5

LED daytime running light for retrofit

LED pixel technology
Dynamic appearance thanks to faceted optic and dotted pixel technology

DRL
LED daytime running light compatible with a wide range of car models and easy to install

5200 K
For drivers who want to increase visibility during the day

Stylish highlights for your car

LEDriving PX-5 serves as a high performance and energy-efficient daytime running light for retrofitting on your vehicle. With its patterned diode design of five LEDs, the LEDriving PX-5 gives your vehicle a modern and stylish look. This daytime running light system is compatible with a wide range of vehicle models and is easy to install. The careful design of the LEDriving system ensures a horizontal tilt of 10 degrees. In addition, the left-hand and right-hand lamps can be switched, thus making installation uncomplicated. Furthermore, the high color temperature of 5,200 Kelvin and long life of up to 5,000 hours provide endless driving pleasure with LEDriving PX-5. OSRAM provides a 3-year guarantee for this product. Note: LEDriving PX-5 is certified according to ECE, SAE and CCC regulations (ECE E4 approval; ECE R87 approval).
