

LEDinspect FOLDABLE 80

LED inspection lights for personal use

80 lm + 25 lm

Main light with 80 lumen and torch light with 25 lumen

Equipped with 21+5 high-quality, long-lasting LEDs

More light output

Rechargeable 3.6 V 1,600 mAh Ni-Mh battery

Rechargeable via 220 V adapter and 12 V cigarette lighter

Compact and flexible design

LEDinspect FOLDABLE 80 - this flexible and tough LED inspection luminaire is a highly practical tool for all work on vehicles and around the home. The battery-operated workshop lamp can be conveniently recharged via an adapter or cigarette lighter socket – no additional batteries are needed. Over 20 high-quality LEDs provide outstanding illumination and a long lifespan. With a color temperature of up to 6,000 Kelvin and a light intensity of up to 1,200 lux at a distance of 0.5 meters, the portable LED light is the ideal partner for a diversity of application areas. OSRAM offers a 2 year guarantee for this product.
