The most compact inspection light

LEDinspect MINI 125 features an especially compact design. This LED inspection luminaire can be simply and flexibly mounted thanks to its small size and integrated hook and magnetic mount. The portable lamp thus emits light precisely where it's needed. The durable LEDs in this handy workshop lamp provide high a light intensity of up to 2,000 lux at a distance of 0.5 meter. An easy-grip, dirt-resistant surface also facilitates precise work. OSRAM provides a 2 year guarantee for this inspection luminaire.
