

LEDinspect PRO PENLIGHT 150

Professional LED inspection light

150 lm + 35 lm

One of the brightest penlights with 150 lumen and LED pointer on top

Equipped with 10+1 high-power, long-lasting LEDs

More light for optimal vision

Integrated battery status display

Easy charge via USB port & DC/AC (with charging cable)

For a precise inspection of any area

LEDinspect PRO PENLIGHT 150 is a rechargeable LED inspection luminaire in compact, high-quality design. With its 150 lumen, the PRO PENLIGHT 150 is one of the brightest penlights in slim design. It provides an intense white light with up to 6,000 Kelvin. The inspection light can be flexibly mounted thanks to magnet and clip - so you can keep your hands free while working. No batteries are needed - you can charge it via USB port, DC and AC connection. OSRAM provides a 3 year guarantee for this inspection light.
