

LEDinspect PRO POCKET 280

Professional LED inspection light

280 lm + 70 lm

This high-powered main light with 280 lumen comes with LED pointer with 70 lumen

Equipped with 3+1 high-power, long-lasting LEDs

High-power LEDs for long-lasting comfortable light output

Integrated battery status display

Easy charge via USB port & DC/AC (with charging cable)

Small compact work light with torch light function

LEDinspect PRO POCKET 280 helps you to see better when working at your garage. This small compact powerful LED inspection light is usable in many ways as a professional working tool. Its handy design and the bright light with a color temperature of up to 6,000 Kelvin enable convenient and precise work. Especially practical: the 270° degree rotation of the hook. You can recharge the luminaire easily via USB port, DC and AC connection. OSRAM provides a 3 year guarantee for this LEDinspect product.
