

PrevaLED COIN 50 DC COB UW G1

LED modules with integrated optics and heat sink

Areas of application

- Shops
- Retail
- Restaurants
- Hospitality
- Museums, galleries

Product family benefits

- Compact design
- Compatible with conventional AR111 CDM lamps
- Ultra White effect targeting retail shop application
- Multi-Shadow-free illumination thanks to single light source
- High color rendering performance, complying with IES TM30

Product family features

- Consistent white light: < 3 SDCM
- TM30 compliant, R_g 100, R_f 90
- Color rendering index R_a: 90 (TM30 compliant)
- Beam angle: 15°, 24° and 40°
- Luminous flux: 1,100...3,600 lm (model dependent)

Ecodesign regulation information:

Separate control gear and light sources must be disposed of at certified disposal companies in accordance with Directive 2012/19/EU (WEEE) in the EU and with Waste Electrical and Electronic Equipment (WEEE) Regulations 2013 in the UK. For this purpose, collection points for recycling centres and take-back systems (CRSO) are available from retailers or private disposal companies, which accept separate control gear and light sources free of charge. In this way, raw materials are conserved and materials are recycled.
