

LEDinspect PRO 180

Inspection lights

Different light functions

3 light functions: 180 lm (high) / 80 lm (low) / 40 lm (flashlight)

3 * AAA battery

Including batteries and ready for use immediately after purchase

Water- and dirt repellent

Protection against the ingress of particles with $\varnothing \geq 1.0$ mm and against splash water according to IP44 Impact resistance according to IK06

Light is versatile

This high-quality inspection light is perfect for professional and private use. For a variety of applications e.g. the lighting of narrow spaces and hard-to-reach areas. With three light functions - high, low and torchlight function, 16 LEDs (main light), 1 LED (torchlight) and up to 6000 Kelvin and the included 3 * AAA Batteries, this compact light has an operating time of up to 2 h (high) or up to 6h (low). With the IP protection class IP44, this luminaire has protection against the ingress of particles with $\varnothing \geq 1.0$ mm and against splash water and is impact resistant according to IK06. This LED light is easy to transport, has a non-slip and dirt-repellent surface, contains an integrated hook & magnets for hands-free work and easy attachment and is therefore ideal as a light for manual activities, car repairs and in everyday life. In addition, OSRAM grants a 2-year guarantee on this product.*
