OSRAM

LEDinspect PRO HELI 1000

Inspection lights

1000 lm
Bright, white light by high performance LEDs

Rechargeable battery
Operating time of up to 5 h (high) / up to 10 h (low)

Water- and dirt repellent
Protection against the ingress of particles with ⌀ ≥ 1.0 mm and against splash water according to IP44 / IK06

Light is versatile

This high-quality inspection light was developed for professional and private use. For a wide range of applications e.g. for better illumination of engine compartments, vehicle underbodies, garages and workshops.With two light functions, 57 LEDs, 10 Watt and up to 6000 Kelvin and a rechargeable 3.7 V 4000 mAh lithium battery, this multifunctional light has an operating time of up to 5 h (high) and up to 10 h (low). With the IP protection class IP44 & IK06 this spotlight has a protection against the ingress of particles with ⌀ ≥ 1.0 mm and against splash water. In addition, it can be used as a power bank as 2 USB ports are integrated. This multifunctional LED work lamp in an extraordinary design with a tripod that can be extended up to 1.75 m and a multidirectional head, i.e. the individual elements can be moved independently of each other, also has a non-slip and dirt-repellent surface, includes an integrated rotating hook for mounting for hands-free work and is therefore ideal as a work lamp for better illumination of engine compartments, vehicle underbodies, garages and workshops. OSRAM also offers a 2-year warranty on this product*
