

Lightbar VX250-CB

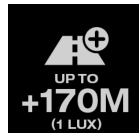

ECE certified - ECE R112

The necessary tests and approvals were carried out and an ECE type approval was granted. ECE reference number: 12.5

Combo Beam

Designed for both: far-field and near-field illumination. For widespread illumination in the near field and spot illumination in the far field.

Light beam up to 170 m length

See and be seen with OSRAM

on-road & off-road

Versatile applicable and flexible in use. On-road & off-road, in terrain, at work and in the spare time.

Bringing light to life with OSRAM LEDriving driving and working lights

Considerable foresight on dark country roads, forest paths, off the beaten tracks, off-road and on-road- this can be achieved with the OSRAM LEDriving Lightbar VX250-CB. With its 24 powerful, high-performance long-life LEDs, the OSRAM LEDriving Lightbar VX250-CB has a range of up to 170 meter and thus offers the driver impressive foresight on-road and off-road. Even in dim light and reduced visibility due to external environmental influences, the OSRAM LEDriving Lightbar VX250-CB with up to 6000 Kelvin can provide conditions similar to daylight. The power package with up to 2100 lumens of luminosity scores with highest optical efficiency and homogeneous light distribution. This results in the possibility of an improved view for you and the improved visibility of your vehicle by other road users, and consequently also increased safety on-road and off-road. Whether on-road or off-road - The OSRAM LEDriving Lightbar VX250-CB impresses with its powerful performance and a long service life with up to 5000 hours. Versatile applicable, it defies numerous environmental influences and, thanks to high-quality materials such as the aluminum housing and the stable polycarbonate lens, it is particularly light and at the same time robust and resistant. The OSRAM LEDriving Lightbar VX250-CB has been tested and validated with the IP-Protection Class IP67 in our DIN certified environmental simulation laboratory for extreme external influences regarding water, dust, impacts, heat, cold and permanent vibration. The integrated driver and the thermal management system regulate the temperature of the LED Lightbar and can thus prevent damage from overheating. The polarity protection inhibits the wrong polarity of the voltage supply and can thus prevent possible damage by automatically switching off the LEDs. On-road and off-road, the OSRAM LEDriving Lightbar VX250-CB is an effective and efficient addition to your vehicle. No registration or entry in the vehicle documents is necessary for these ECE-certified LED driving lights²⁾. ECE reference number: 12.5 The OSRAM LEDriving Lightbar VX250-CB can be attached to cars, trucks, agricultural machinery, farm machinery, commercial vehicles, construction vehicles, caravans, off-road vehicles and quads²⁾. The OSRAM LEDriving VX250-CB is versatile applicable and flexible in use.²⁾ OSRAM LEDriving Driving Lights are approved according to ECE regulations and may therefore be installed and operated on public roads. Please note: Special installation regulations apply. In addition to ECE approval of the product, individual special requirements and legislation of the countries must be observed.

Technical data

Product information

Order reference	LEDDL117-CB
Application (Category and Product specific)	Additional high beam application

Electrical data

Nominal voltage	12/24 V
Nominal wattage	3600 W
Test voltage	13.2 V

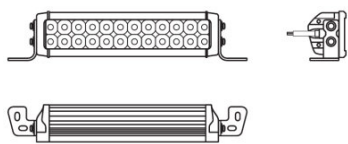

Photometrical data

Luminous flux	2100 lm
Color temperature	6000 K
Light distance at 1lx	170 m

LED module information

Number of LEDs per module	24
---------------------------	----

Dimensions & weight

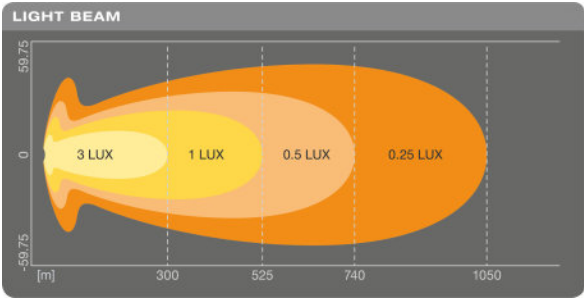

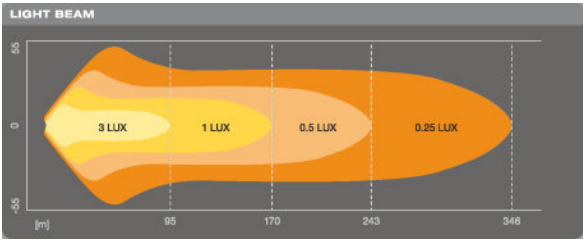

Product weight	149000 g
Length	306 mm
Width	80 mm
Height	62 mm

Lifespan

Lifespan Tc	5000 h
Guarantee	2 years

Additional product data

Luminous intensity distribution

Luminous intensity distribution

Connector to lamp	Open wire
Product remark	Beam Pattern: Combo

Capabilities

Technology	LED ¹⁾
------------	-------------------

¹⁾ Light-emitting diode application

Certificates & standards

Standards	ECE R10, R112
Approval marks – approval	E4 approval
Type of protection	IP67

Country specific categorizations

Order reference	LEDDL117-CB
-----------------	-------------

Logistical data

Commodity code	85122000900
----------------	-------------

Environmental information

Product datasheet

Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)	
Date of Declaration	28-02-2024
Primary Article Identifier	4062172141932
Candidate List Substance 1	Lead
CAS No. of substance 1	7439-92-1
Safe Use Instruction	The identification of the Candidate List substance is sufficient to allow safe use of the article.
Declaration No. in SCIP database	227aeefc-65df-4d15-ad5d-8f5c57c37152

Product Info Graphics

Logistical Data

Product code	Product description	Packaging unit (Pieces/Unit)	Dimensions (length x width x height)	Volume	Gross weight
4062172141932	Lightbar VX250-CB	Folding carton box 1	422 mm x 110 mm x 123 mm	5.71 dm ³	1718.00 g
4062172141949	Lightbar VX250-CB	Shipping carton box 4	437 mm x 242 mm x 274 mm	28.98 dm ³	7342.00 g

The mentioned product code describes the smallest quantity unit which can be ordered. One shipping unit can contain one or more single products. When placing an order, for the quantity please enter single or multiples of a shipping unit.

Legal advice:

The installation of the OSRAM LEDDriving Lightbar VX250-CB is fully ECE compliant and therefore registration free. This does not include individual custom requirements of countries, in addition to the standardized ECE certification of the product.

- 1) Precise terms and conditions at: www.osram.com/am-guarantee
- 2) OSRAM LEDDriving Driving Lights are approved according to ECE regulations and may therefore be installed and operated on public roads. Please note: Special installation regulations apply. In addition to ECE approval of the product, individual special requirements and legislation of the countries must be observed.

Refer to www.osram.com/am-guarantee for precise conditions

Application advice

For more detailed application information and graphics please see product datasheet.
