

# LEDinspect WIRE-FREE PRO 600

#### Wire-Free charging compatible

Simply place on the Wire-Free charging pad to securely hold and recharge

## 600 Lumens

Place bright, 5700k white light where you need it most

#### **Built to last**

IK08 and IP54 rated to survive the rigors of the professional workshop

# The easiest way to recharge inspection lights

Inspection lights are a vital part of any professional's toolbox. Removing the need to find and plug into the correct charging cable, OSRAM's wire-free inspection lights recharge without hassle by simply being placed on the magnetic charging pad. This innovative design not only enhances convenience but also supports an uninterrupted workflow.
